Website: [simonbihel.me](http://simonbihel.me)

Born on the: December 5, 1995—Bayeux, France

Nationality: French

---

## Experience

- 2017 SUMMER INTERNSHIP, *Automated Test Data Generation for Dynamically Typed Programming Languages* with Shin Yoo, COINSE Lab, KAIST
- 2016 SUMMER INTERNSHIP, *Specifying The Experimental Scenarios For Simulated Cloud Studies* with Martin Quinson & Anne-Cécile Orgerie, IRISA & Inria Rennes

## Education

- 2015~2018 MAGISTÈRE INFORMATIQUE (~ Master in Computer Science), ENS Rennes & Rennes 1 University
- 2014~2015 1ST & 2ND YEAR COMPUTER SCIENCE BACHELOR, highest honors, valedictorian, Caen University
- 2013 SCIENCE HIGH SCHOOL DIPLOMA, Computer Science specialty, with high honors

## Certifications

- 2014 DRIVING LICENCE (permis B)

## Computer skills

Here are some of my skills, note that I don't have a professional level in either of them.

Python;  $\text{\LaTeX}$ ; C; Scala; C++; Go; Haskell.

## Foreign languages skills

FRENCH, native speaker;                      ENGLISH, fluent;                      KOREAN, elementary proficiency

## Courses projects

During the second year of Bachelor, I did a project based on the *Faster Than Light* game. It consisted of building an automated fights simulator and then using it to build the most powerful ships.

During the first year of Master, I worked on a project for evaluating a *Processing-in-Memory* architecture using the *k-means* algorithm.
